

## **Action Plan to Reach Your Campus/City** *Setting a Spirit-inspired strategy for you and your community*

What do you want to see God do on your campus/city this year?

Who do you sense God calling you to reach out to on your campus/city?

Do you have a burden for a particular dorm, student group, or oikos (a particular group of students)

What amount of time do you plan to spend each week intentionally spending time with this group?

What challenges should you be aware of that might hinder you in making disciples and planting simple churches?

How will you address these challenges?

Do you have a partner or team to go with you?

Write up a personal action plan and possible details to help you accomplish your goals. If appropriate, do this personal action plan with your partner or team.
